

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

James Sloman,

v.

Civil No. 06-cv-00377-JL

Presstek, Inc., et al.

O R D E R

The joint motion to continue the class certification hearing (document no. 82) is GRANTED.

Due to administrative anomalies caused by the parties' requests to stay the proceeding and for this continuance, the motion for class certification (document no. 49) is DENIED WITHOUT PREJUDICE to being reinstated upon the plaintiff's request.

If the September 24, 2008 mediation does not result in a resolution of this case, and the plaintiff wishes to reinstate the motion for class certification, the plaintiff need only file a Notice of Reinstatement. At that time, a hearing on the reinstated motion to certify will be scheduled.

SO ORDERED.

A handwritten signature in black ink, appearing to read "Joe Laplante", is written over a horizontal line.
